IRRIGATION & C.A.D (P.W.MAJ .IRRI.X) DEPARTMENT

G.O.Rt.No. 520

Dated 6.8.2010
Read the following

From the Engineer-in-Chief(I.W), I&CAD Department, Lr.No.
ENC/IW/P&M/EE-I/DEE-9/AEE2/13308/SCIWAM/2010, dated
31.07.2010

ORDER

As per the SCIWAM Committee recommendations reported by the Engineer-in-Chief(IW), I&CAD Department, Hyderabad in the letter read above, Government after careful consideration hereby accorded permission for release of water for different projects as follows.

1.SRSP Government hereby accord permission to release 20 TMC of water from SRSP with equal distribution for above and below LMD (10 TMC through Kakatiya Canal upto LMD and 10 TMC through FFC to feed LMD including trial run of FFC and for ayacut below LMD) including drinking water, Supply of water to NTPC, and supply water to seed beds under Laxmi canal and Saraswathi canal. Further the permission is granted for trial run of Chowutpally Hanamantha Reddy Lift Scheme by utilizing 0.11 TMC.

2. KNR KADAM PROJECT: The Government hereby accord permission to release of water to an extent of 68,000 acres through Kadam Canal System

3. The Government also accord permission to Sadarmatt ayacut to utilize the water for irrigation requirement from the available river flows.

4. NAGARJUNA SAGAR PROJECT The Government also hereby accord permission to draw 220 TMC of water for Kharif crop from 15th August 2010 for an extent of 10.08 lakh acres (110 TMC)for Nagarjuna Sagar left canal and 11.18 lakh acres (110 TMC) for Nagarjuna Sagar right canal adopting minimum duty for the ayacut as 8000 acres/TMC and 12000 acres/TMC for wet and ID crops respectively. Further it is decided to maintain the minimum level of about +510.00 feet as against +504.00 feet to pump drinking water from Nagarjunasagar to Puttamgandi to meet the HMWSSB demand. HMWSSB is permitted to draw water daily at the rate of 335 c/s only.

5. The Government hereby accord permission to release 1.00 TMC of water from Akkampally Balancing Reservoir to fill up Kanagal tank, G.Yedavally tank, Udayasamudram Balancing Reservoir and Aitipamula Tank for drinking water in Nalgonda District .

6. The Government hereby accord permission to draw 19.00 TMC of water for SRBC ayacut and drinking water (16.00 TMC for an ayacut of 1.60 lakh acres up to Owk Reservoir and 3.00 TMC for drinking water).

7. The Government hereby accord permission to draw 15.00 TMC of water from Pothireddypadu Head Regulator through Nippulavagu for drinking water supply to Chennai city.

8. The Government hereby accord permission to draw 3.20 TMC of water at a time to minimize the losses in the river system (0.30 TMC for drinking water to twin cities and 0.30 TMC for Ghanpur Anicut and 2.60 TMC to Nizamsagar Project) from Singur Project.

9. The action taken by the Engineer-in-Chief (Irrigation) for drawing 6.50 TMC of water for Yeleru Irrigation Project for kharif crop to an extent of 67,000 acres is hereby ratified. The Government has accorded permission to draw 2.9 TMC of water to supply VIWSCO.

GENERAL:

1. The Government hereby directs all the Chief Engineers/the Superintending Engineers / MD, APSIDC who are in charge of Lift Irrigation Schemes not to draw water for lift Irrigation Schemes without the prior permission from the concerned Project Authorities.

2. The Government also hereby directs the Managing Director APSIDC to furnish the water drawn for lift Irrigation Schemes from reservoirs in the State under their control for the last 5 years and proposals for the current year to the SCIWAM Committee immediately. Managing Director, APSIDC is also requested to furnish the number of L.I. schemes, particulars of bore wells existing in the foreshore of reservoirs / Projects along with their ayacut particulars.

3. The Engineers-in-Chief / Chief Engineers are requested to observe the water use efficiency in their command areas and inform the farmers organizations to minimize the water requirement.

4. The Government hereby directs the Director of Ground Water to furnish the details of existing bore wells data under all the projects command and other areas in the State to the SCIWAM Committee.
